(c) whether coordination is being maintained with the State Government of Himachal Pradesh to gear up its machinery to set the marketing infrastructure in place to handle the anticipated heavy crop, in the interest of the apple growers?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI SOMPAL): (a) Yes, Sir.

(b) and (c) Ministry of Food processing Industries under its Plan Schemes provides financial assistance in the form of soft loans (at only 4% rate of interest) and grant-in-aid to Cooperatives, Non-Government Organisations, Public Sector Undertakings and Private Sector Undertakings for development of processed food industries which includes processing of apples. During the period 1992-93, financial assistance of Rs. 9.43 crores has been extended in respect of proposals received from the State of Himachal Pradesh for creation of infrastructural facilities including cold chain, setting up/ expansion/modernisation of processing units etc. The assistance provided also covers apple processing units.

State Government of Himachal Pradesh has identified Director of Industries Government of Himachal Pradesh as the Nodal Agency processed food industries. Close interaction with all Nodal Agencies including that of Himachal Pradesh is maintained for development of this sector.

Wind Power Projects in Gujarat

2520. SHRI AHMED PATEL: Will the PRIME MINISTER be. pleased to state:

(a) the total number of wind power projects which arc functional at present in Gujarat, district-wise;

(b) whether Government arc aware that the State has more potential for generating wind power;

(c) if so, whether Government propose to establish more wind power projects in the State to tap the potential; and

(d) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS, THE MINLSTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AF-I FAIRS AND THE MINISTER OF STATE IN THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI RAM NAIK): (a) The district-wise operational wind power capacity at present in the State of Gujarat is given below:

District	Operational Wind Power Cap; city (MW)
Jamnagar	57
Rajkot	65
Kutch	2

(b) to (d) Yes, Sir. Wind power projects arc now being undertaken by the private sector as commercial projects. Further wind power capacity addtion in the State to tap the potential will depend upon early announcement of a conducive policy by the State Government, technical feasibility, economic viability and continuation of fiscal and promotional incentives.

Schemes for Non-Conventional Energy Development

2521. DR. ARUN KUMAR SARMA: Will the PRIME MINISTER be pleased to state:

(a) the particulars of the scheme in operation under the non-conventional energy sector in the country;

(b) the scheme-wise details of their operational status, financial allocations and achievements made since 1996;

(c) reasons for very low performance of this sector in the State of Assam and steps taken for improvement; and

(d) the details of proposals, if any, Pending for clearance?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS, THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF STATE IN THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI RAM NAIK): (a) and (b) A wide range of schemes in the non-conventional energy sector are being implemented including biogas plants; improved chulhas; Integrated Rural Energy Programme; biomass gasification and briquctting plants; solar thermal water heating systems, both domestic and industrial; solar photovoltaic systems for lighting; water pumping and village-level power plants; wind power; small hydro power; biomass power; bagasse-based co-generation; and energy from urban and industrial wastes.

A large number pf porjects based on these scheme are in operation through-out the country in various States/UTs. Scheme-wise details of financial allocations and achievements since 1996 are given in the Statement I and II (see below).

(c) Low performance of this sector in the State of Assam can mainly be attri buted to the low priority accorded at the State level; lack of a dedicated State Nodal Agency; inadequate State Plan al locations; remoteness and inaccessibility; high capital costs; and lack of trained manpower and entrepreneurs to imple ment these schemes. Steps have been taken to set up a Nodal Agency in the State for this sector, and earmarking of funds for implementation of these schemes in the North-Eastern Region, including Assam.

(d) No proposals received from the State of Assam are pending for clearnace in the Ministry.

Statement-I

Programme-wise financial allocation and expenditure incurred during 1996-97 and 1997-98

(Rs. in crores)

S.No	Name of the Programme	1996-97		1997-98	
		Allocation	Expenditure	Allocation	Expenditure
1.	National Project on Biogas Development	57.00	49.09	58.15	55.00
2	Community/Institutional/Night soil based Biogas Plants	4.40	4.38	8.50	5.80
3.	National Programme on Improved Chulha	16.75	15.40	17.70	16.56
4.	Biomass Gasifiers	3.00	2.00	4.00	1.00
5.	Integrated Rural Energy Programme	16.00	6.11	11.80	5.57
6.	Special Area Demonstration Programme	3.00	0.21	1.00	0.50
7.	Urjagram Programme	1.00	0.07	1.00	Nil
8.	Solar Photovoltaic	23.05	11.29	33.50	15.44
9.	SPV Water Pumping	16.00	10.37	13.00	0.03
10.	Solar Thermal Energy Programme	7.66	2.76	5.00	2.91
11.	Wind Pump & Aero-generator/Hybrid System	0.75	0.24	0.95	0.48
12.	Wind Power Programme	7.00	37.16	4.85	3.08
13.	Small Hydro Power Programme	27.00	10.00	26.00	18.77
14.	Bagasse Cogcncration & Biomass Combustion	8.00	4.53	7.00	6.56
15.	SPV Power Programme	5.30	1.51	3.00	1.90
16.	Energy from Urban, Municipal and Industrial Wastes	5.00	1.50	8.00	0.60
17.	New Technologies				
	(i) Hydrogen Energy	0.50	0.14	1.00	0.39
	(ii) Chemical Sources of Energy	1.34	0.49	3.50	1.25
	(iii) Geo-thermal Energy	0.20	0.50	0.50	0.01
	(iv) Alternate fuel for Surface Transportation	4.00	0.64	4.00	033
	(v) Ocean Energy	0.30	0.005	1.00	Nil

Statement-II

programmc-wisc plrysical targets and achievements for the year 1996-97 and 1997-98

S.No.	Name of the Programme	Unit	1996-97		1997-98	
			Targets	Achievements	Targels	Achievemenls
1.	National Project on Biogas Development	No. in lakh	1.65	1.70	1.75	1.74
2	Community/Insiiluiional/Nighl soil based Biogas Plants		250	351	300	263

गैर-पांरपरिक ऊर्जा स्त्रोतों से बिजली उत्पादन

2522.**श्री जनेश्वर सिंह**: क्या प्रधानमंत्री यह बताने की कृपा करेंगे कि:

(क) देश में उत्पादित होने वाले कुल बिजली का कितना प्रतिशत गैर-पांरपरिक ऊर्जा स्त्रोतों से उत्पन्न होता है;और

(ख) देश में गैर-पांरपरिक ऊर्जा स्त्रोतों से अनुमानत: कुल कितनी बिजली का उत्पादन होता है तथा इस क्षमता का राज्यवार ब्यौरा क्या हैं?

रेल मंत्रालय में राज्यमंत्री,संसदीय कार्य मंत्रालय में राज्यमंत्री और योजना और कार्यक्रम कार्यान्वयन मंत्रालय में राज्यमंत्री(श्री राम नाईक): (क) वर्ष 1997-98 के दौरान देश में कुल उत्पादित बिजली का अपांरपरिक ऊर्जा स्त्रोतों के माध्यम से उत्पादित बिजली अनुमानत: 05% हैं ।

(ख) 31 मार्च,1998 तक देश में पवन विद्युत,लघु पन बिजली तथा बाबोमास विद्युत पर आधारित 1234.38 मैं.वा.की कुल विद्युत उत्पादन क्षमता की स्थापना की गई है । राज्यवार ब्यौरा विवरण में दिया गया है (**नीचे देखिए**)
